

DRESS CODE POLICY

Since the Bible teaches that God cares about our appearance, it is our belief that we should strive to ensure that our appearance is pleasing to Him. The intent of our dress code is to promote and encourage modesty as well as a clean, neat appearance, expressing the Christian values we represent. Appearance can affect not only learning and the quality of school work, but also the strength of our Christian witness, all of which represent our purpose as a Christian school. Therefore, we strongly encourage appropriate dress and good grooming and ask that parents and students understand our intent.
